FOR IMMEDIATE RELEASE

SEWER WORK CONTINUES ON STATE ROUTE 74 IN LAKE ELSINORE

SAN BERNARDINO— The California Department of Transportation (Caltrans) continues work on a \$1.7 million project to install a vehicle rinse facility inside of the existing Caltrans Maintenance Station on Conard Avenue and a large sewer line from the maintenance station to the center of State Route 74 (SR-74). The project is estimated to be complete by December 22, 2017.

SR-74 will be down to one lane in each direction between Dexter Ave and Conard Ave starting Tuesday, December 12 until Thursday, December 14. The closures are necessary to grind and pave SR-74.

Also, during the week of December 18 to December 22 there will be directional lane closures to install loop vehicle detectors during the hours of 6:00 a.m. and 6:00 p.m.

Know before you go! To stay on top of roadwork in the Riverside County go to www.caltrans8.info and sign up for commuter alerts. View traffic conditions at <http://quickmap.dot.ca.gov>.
